About Us

Satya Dharam Agrovision Pvt. Ltd.
Rooted in Trust. Growing with Quality.

Founded in **1998** as Bhagat Jee Exports by **Mr. Vikas SD Gupta**, the business became Satya Dharam Agrovision Pvt. Ltd. in **2010**, led by **Mr. Vikas SD Gupta** and **Mrs. Jyoti Gupta**. Today the next generation, **Akshatt Gupta** and **Anouj Gupta**, carries this legacy of trust forward.

From Tilak Bazar, Delhi, we supply quality grains and feed ingredients to the animal feed and poultry industries across India.

Why Choose Us?

25+ Years of Experience

Direct Distillery Partnerships

OUR PRODUCTS

DISTILLERY RAW MATERIALS

Quality Grains for a Cleaner,
Greener Tomorrow.

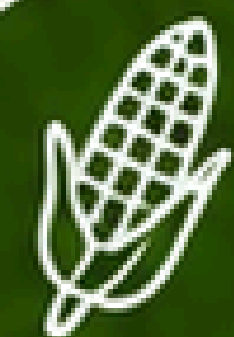

01

Broken Rice

Quality broken rice with good starch content, a cost-effective raw material for grain-based ethanol and alcohol production. Supplied in bulk to distilleries with consistent quality and timely delivery.

02

Maize (Corn)

Clean, well-dried maize sourced from trusted growing regions, a preferred raw material for ethanol production. Bulk supply with reliable logistics to keep distillery operations running smoothly.

ANIMAL FEED PRODUCTS

Nutritious Ingredients for Healthier Livestock.

01

Rice DDGS

High-protein feed ingredient from rice-based ethanol production. Rich in energy, fibre and essential nutrients, ideal for poultry, cattle, swine and aqua feed.

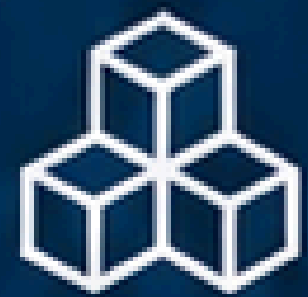

02

Maize DDGS

Nutrient-rich feed ingredient from maize-based ethanol production. A cost-effective source of protein and energy for livestock and poultry diets.

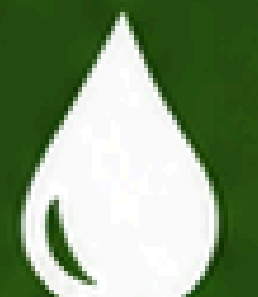

03

DOC (De-Oiled Cake)

Protein-rich residue left after oil extraction, available as Maize DOC, Mustard DOC and De-Oiled Rice Bran (DORB). Widely used in compound cattle and poultry feed.

04

Corn Oil (DCO)

Energy-rich Distillers Corn Oil recovered from Maize DDGS. Used in poultry, cattle and aqua feed, and also suitable for biodiesel and industrial use.

OUR STANDARD OF QUALITY

At Satya Dharam Agrovision, quality is the foundation of every order we deliver. Our customers rely on us for consistency, and we take that responsibility seriously at every step.

Trusted Sourcing

We procure directly from reputed distilleries, oil mills and trusted growing regions, ensuring genuine products and consistent supply.

Strict Quality Checks

Every consignment is checked for key parameters such as moisture, protein, fibre and aflatoxin levels before dispatch.

Consistent Specifications

Products are supplied as per agreed specifications, so our customers get the same quality with every order.

Safe Handling & Packaging

Proper storage, clean handling and secure packaging protect product quality from our warehouse to your facility.

Transparent Dealings

Clear specifications, fair pricing and honest communication have built our long-term relationships with customers.

*Quality you can rely on.
Service you can trust.*
